

About your Hosts...

Stephen's Green, consisting of Dublin natives Martin Doyle and Andy O'Driscoll, once again invite you to join them in an Irish adventure!

Andy and Martin have been making their mark of the music scene both here and abroad for many years. Their Irish roots, musical talent and great people skills combine to bring you a most memorable trip to the Emerald Isle. This tour adds the talented Darren Crossey, a native of Lurgan, county Armagh, and Sean Conway, of Ennis, county Clare, to the musical lineup.

Not only does the very best of *craic* await you, but our tour's more relaxed pace means you'll have the chance to savor the real Ireland...and enjoy a pint or two of the "black stuff" with friends old and new.

Our tour is the perfect blend of local knowledge, scenery, attractions and entertainment...so relax, leave your worries at home, and join us on an unforgettable, fun-filled odyssey to Ireland!
